OUR SCHOOL

We are pleased to welcome students in Grades 5 to 9, to Four Winds Public School, for the 2019/2020 school year.

In partnership with Werklund School of Education, University of Calgary, Four Winds has adopted an inspiring learning style that instills and promotes growth, innovation and commitment to learning.

Four Winds offers flexible curriculum delivery, collaborative open spaces, together with an amphitheatre and a learning garden that encourages students to connect with nature.

In addition, specific areas in the school will honour local area women who were lifelong advocates for Public Education, including the Donna Hunter Learning Commons, the Thelma Chalifoux Learning Garden and the Audri Kowalyk Science Labs.
